

Preliminary Amendment  
Junichiro Noda, et al.

REMARKS

Favorable consideration of this application as presently amended and in light of the following discussion is respectfully requested.

Claims 42-49 are pending in the application with Claims 1-41 cancelled and Claims 42-49 added by the present preliminary amendment. New Claims 42-49 correspond to original Claim 25 which was cancelled via a preliminary amendment filed with parent application 10/270,673 on October 16, 2002. Support for these new claims is found in Applicants' original filed specification. No new matter is added.

Accordingly, examination on the merits of Claims 42-49 is believed to be in order, and an early and favorable action on the merits is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
